Biscuit Fruit Yoghurt
Friday
Margherita Pizza Quorn Chicken Nuggets Cheese Sandwich Chicken Wrap Chips
Ice Cream Tub Fruit Yoghurt

News from this week

PCSO Calkeld

We have been working closely with PCSO Calkeld this week as she has been spending time looking at the parking of parents and carers around school.

She has also been around all KS2 classrooms this morning to talk to the children about anti-social behaviour in the park and graffiti. She explained that they should let adults at home or at school know if they experience any of this type of behaviour in the park and encouraged them to look after their community facilities.

Information for next week and after the holidays

Holidays

It is our Spring Bank holiday next week and then the following Monday is a training day for staff. Children will therefore be returning to school on Tuesday, 4th June. We hope that everyone enjoys their break!

Talent Show

After the success of this event last year, we are holding this again. If your child wants to display their talent, they should practise over the holidays so that they are ready to perform to their class during the first week back. The classes will then choose their favourite two acts to perform in the final. The final will take place on the evening of 27th June at 5.30pm and once the acts are finalised, we will make tickets available for sale.

Other information

FSM online

We have continued to send out links for the Free School Meals Online Check. Please fill the form in for your child as soon as possible so that we can complete our records and ensure that you and your child get any funding that you may be eligible for.

It should be completed for each child separately to ensure that their eligibility is included on our system.

Park Survey

We have been asked by Calderdale Council to share a survey to parents and carers about park facilities in Calderdale. Please complete the survey and have your say!

We would like to hear what you think about Calderdale's play areas.

Please complete our short survey so we can find out what matters to you. The information will be used to inform plans for improvement and development in the future.

Please scan in our QR code below to reach our survey.

The QR code to follow is a little larger here!
